### Procedures and Regulations

The State Park Service provides 150 boat storage spaces at Spruce Run Recreation Area for the public's convenience. For new applicants these spaces are assigned on a first come, first served basis beginning on October 1st until all spaces are full.

All valid winter storage spot holders, as of March 31 of the current year, will be given the opportunity to renew their storage space for the same spot number for the next winter season. Renewal applications will be sent out on August 1st and are due to the park office no later than August 31st. If the storage spot holder does not return the application with full payment by August 31st, written notification will be made advising the storage spot holder that their spot will be reassigned on a first come, first served basis.
