Map produced by the **New York-New Jersey Trail Conference**, provider of the region's best trail maps. Published maps are waterproof and tear-resistant, have elevation contours, and show 2,000+ miles of trails in New Jersey and New York.

Map funded in part with a national Recreational Trails Program grant in cooperation with the New Jersey State Park Service.

The **Trail Conference** supports parks by mobilizing thousands of outdoor-loving volunteers who create, maintain, and protect 2,000 miles of public trails. Support trails and the work of our volunteers by **purchasing great trail maps, volunteering on the trails, or simply visiting nynjtc.org** for more info.
