****Please indicate your job preferences.** Seasonal Park Services jobs may include: Maintenance, Office Worker, Visitor Services, Natural or Historic Educator and Lifeguards. Not all of these jobs may be available at all parks. Since the nature of the Park Service is to serve the public, these jobs will require evening, weekends and holidays. NOTE: All lifeguard applicants for the State Park Service jobs are required to be tested by the Division of Parks and Forestry before an interview is granted. Please check the NJ Parks and Forestry website for lifeguard testing dates. **Although many Parks collect applications for employees on a rolling basis as needed, some areas may have application due dates. Please check with an individual area if you have any questions.**

The Americans with Disabilities Act of 1990 prohibits employers from discriminating against any qualified person on the basis of a disability. The State of New Jersey makes reasonable accommodations during all aspects of the employment process, such as testing and interviews. The State also makes reasonable accommodations in the work environment to enable a person with a disability to perform the essential job functions and to participate equally with co-workers without disabilities. However, the State can only make reasonable accommodations when it is aware of a disability. It is up to you to inform the prospective employer if you need a reasonable accommodation. If you need a reasonable accommodation before the interview process begins, please inform the park office for which you are applying.

If you are at least 16 years old and are interested in the State of New Jersey Summer Employment Program, please complete the application and mail it to:

The State Parks or Forests where you have an interest to work.
